

Ultra Lightweight

LALIZAS COASTAL COMPACT Lifteraft

- ✓ Ideal for coastal boaters, the compact and lightweight Coastal Compact bridges the gap between the lifejacket and the full feature life raft
- ✓ Smallest, lightest and most value-for-money life raft available today
- ✓ Redesigned structure, to save storage
- ✓ Made from TPU, utilizing only high-frequency welding and hot air welding for the arches, with no glue used in any part of the liferaft
- ✓ Sustainable and eco-friendly solution
- ✓ The liferaft inflates automatically in less than 30 seconds

The integrated canopy is inflated with minimal effort using the included hand pump.

- ✓ Single tube, single compartment construction
- ✓ Tube and floor fabric: polyurethane coated nylon fabric
- ✓ TPED approved CO₂ Cylinder
- ✓ Available in sizes for 2 persons (without canopy), 4 & 6 persons (with or without canopy), packed in a valise
- ✓ Manufactured in the EU

With fully transferable **6-year warranty** on fabric and seams (starting from the day of manufacture). T's and C's apply.
